RE: Notification: ISAP Bylaws Change Vote on October 2, 2021

ISAP Board of Directors has approved recommending to the membership a bylaws change to remove the requirement to provide complimentary annual meeting registration to Past Presidents. This proposed change will be presented to the membership for approval by vote at the ISAP Annual Business Meeting, which will be held on October 2, 2021 during the ISAP Annual Meeting.

Requiring the complimentary registration has begun to significantly impact the annual meeting budget. ISAP does attempt to keep the registration fee, and the annual meeting expenses, as low as possible to encourage attendance.

The Board of Directors has the authority to approve the fee schedule for the annual meeting and can make the addition of complimentary Past President registration at any time without it being a part of the bylaws.

Comments on this change can be provided to the ISAP Board of Directors at info@isaponline.org.
