

# ISAP 30<sup>th</sup> Annual Meeting

**2021 Commercial Support Prospectus**

Saturday, October 2nd, 2021

**Virtual Meeting**

777 N Van Buren St, Unit 2705 • Milwaukee, WI 53202  
(p) 414-379-8602 • [isaphq@isaponline.org](mailto:isaphq@isaponline.org) • [isaponline.org](http://isaponline.org)

# ISAP Commercial Supporter Information

## Mission Statement

- To advance the study of anesthetic pharmacology, to contribute to its growth and influences, to encourage specialization in the field of anesthetic pharmacology and to encourage high ethical and professional standards by fostering and encouraging research, education, and scientific progress in anesthetic pharmacology;
- To publish and encourage the dissemination to the profession and to the public of information concerning the role of anesthetic pharmacology, to issue publications of scientific and cultural interest and to sponsor professional meetings or conferences for these purposes;
- And to support, encourage and participate in the development and promotion of policies and programs of other professional organizations regarding anesthetic pharmacology.

## Annual Meeting

- ISAP Annual Meeting if in person is held in conjunction with the American Society of Anesthesiologists (ASA) Annual Meeting. The 2021 meeting will be virtual.
- Full day meeting focusing on current issues in the field of anesthetic pharmacology.
- Approximately 125 attendees.

## Supporter Levels

### ▶ Innovator - \$10,000 US

- Engagement/discussion with ISAP Leadership at a separate gathering (focus group type session)
- Opportunity to present sponsor content to the ISAP members (verbally or by video - pre and post annual meeting)
- Logo placement on promotion materials and website
- Registrations to the ISAP annual meeting - 25
- Membership in ISAP - 10
- Use of ISAP membership list

### ▶ Partner - \$5,000 US

- Engagement/discussion with ISAP Leadership at annual meeting
- Opportunity to present sponsor content to the ISAP members (verbally or by video - pre and post annual meeting)
- Logo placement on promotion materials and website
- Registrations to the ISAP annual meeting - 15
- Membership in ISAP - 5
- Use of ISAP membership list

### ▶ Entrepreneur - \$2,000 US

Companies with 100 employees or fewer.

- Opportunity to present sponsor content to the ISAP members (verbally or by video - pre and post annual meeting)
- Logo placement on promotion materials and website
- Registrations to the ISAP annual meeting - 10
- Membership in ISAP - 2
- Use of ISAP membership list

## ***ISAP Announces the Inaugural Mohamed Naguib Lecture and Posthumous Awarding of the ISAP Lifetime Achievement Award***

***To be presented at the October 2, 2021 Annual Meeting***

In honor of Dr. Mohamed Naguib's long service to the International Society of Anaesthetic Pharmacology (ISAP), and his distinguished contributions to the field of anesthesiology, he will posthumously receive the ISAP Lifetime Achievement Award. The award will be presented at the ISAP Annual Meeting on Saturday, October 2, 2021.

ISAP has established the Mohamed Naguib Lecture to honor his many accomplishments, which will be presented at every ISAP Annual Meeting. The Inaugural Lecture will be given at the 2021 ISAP Annual Meeting. ISAP has established a fund to endow the Mohamed Naguib Lecture and donations may be made at [isaponline.org](http://isaponline.org).

In the world of clinical pharmacology, Dr. Naguib was a renaissance man. As a man of many talents, his influential work has provided direction in many spheres of investigation and discovery. He made significant contributions to the scientific foundation and clinical applications of neuromuscular monitoring. He formed and led a coalition of thought leaders to prepare and disseminate expert consensus guidelines on neuromuscular monitoring. He had substantial interest in the mechanisms of and treatment for neuropathic pain. He led a laboratory that created molecules to treat neuropathic pain. At the time of his passing, he was a principal investigator on a NIH funded multi-center observational study focused on the discovery and validation of a biomarker signature for chemotherapy induced peripheral neuropathic pain. He was the co-founder of a company that is developing a novel therapy for neuropathic pain and Alzheimer's disease based on his research on the mechanisms of neuroinflammation. For each of these activities, he created

a wake of opportunities for many that continue to have a vibrant and productive future. He was a prolific writer. He was the principal author or co-author of 130 peer-reviewed journal articles, 25 book chapters (including the premier Miller's Textbook of Anesthesia) and 150 abstracts.

By way of professional service, for years, he served on the editorial board of numerous anesthesia journals and was influential not only in his reviews but in preparing thought provoking editorials and commentary. He also served for many years in various leadership positions, including President of ISAP.

### **Support the Mohamed Naguib Lecture**

**Donations can be made online ([click here](#))**

**ISAP is a 501(c)(3) nonprofit organization which makes donations tax-deductible.**

Dr. Naguib was graduated from the Cairo University, College of Medicine, in 1976 and finished his anesthesia residency in 1981. He served as a Post-Doctoral Research Fellow in the Department of Anesthesiology, University of California, San Diego, California. In 1992 he joined the Department of Anesthesia at the College of Medicine, King Saud University. In 1998 he joined the University of Texas MD Anderson Cancer Center in Houston. He was appointed to his last position in 2010

as Professor of Anesthesiology, Cleveland Clinic Lerner College of Medicine of Case Western Reserve University.

**“Mohamed was a nationally and internationally renowned anesthesiologist who exemplified the career of a successful academic physician. To us, he was a colleague, a friend, and a mentor,” says Maged Argalious, MD, Chair of the Department of General Anesthesiology, Cleveland Clinic Lerner College of Medicine of Case Western Reserve University.**
