# ISAP Commercial Supporter Information

## Mission Statement

- To advance the study of anesthetic pharmacology, to contribute to its growth and influences, to encourage specialization in the field of anesthetic pharmacology and to encourage high ethical and professional standards by fostering and encouraging research, education, and scientific progress in anesthetic pharmacology;
- To publish and encourage the dissemination to the profession and to the public of information concerning the role of anesthetic pharmacology, to issue publications of scientific and cultural interest and to sponsor professional meetings or conferences for these purposes;
- And to support, encourage and participate in the development and promotion of policies and programs of other professional organizations regarding anesthetic pharmacology.

## Annual Meeting

- ISAP Annual Meeting if in person is held in conjunction with the American Society of Anesthesiologists (ASA) Annual Meeting. The 2024 meeting will be live in-person and virtual.
- Full day meeting focusing on current issues in the field of anesthetic pharmacology.
- Approximately 125 attendees.
